

2020 OXFORD EWE LAMB FUTURITY

(Sponsored by the American Oxford Sheep Association, Inc.)

The American Oxford Sheep Association, Inc. (“AOSA”) is sponsoring its 11th annual ewe lamb youth futurity program (“futurity”) in 2020. The following rules shall apply to the futurity with full right to any interpretations, additions or changes to such rules being retained by the Board of Directors of AOSA. All participants are required to carefully read, be knowledgeable of and abide by these rules. Any violation of the rules will result in disqualification of the applicable participants and/or animals in the sole and absolute discretion of the Board of Directors of AOSA.

General Description and Rules.

The futurity is designed to allow junior members an opportunity to compete with breeder nominated Oxford ewe lambs purchased at designated public sales. Nominated ewe lambs will be announced as such prior to their sale. The nomination fees are paid by the breeder and such fees encompass the pool of funds available for premiums payable to futurity winners. Points for the futurity are accumulated through exhibiting the nominated ewe lambs at various shows. Placings from first through tenth will receive a premium for both national and district level participants.

Consignor Rules.

1. Entries are limited to AOSA registered fall and spring born Oxford ewe lambs.
2. Futurity eligible ewe lambs may be nominated at the **IL Dorset and Prairie State Sale**, Illini All-Breeds Spring Sale, the Indiana Premier Sheep Sale, the Ohio Showcase Sale, the National Oxford Show and Sale, Great Lakes All-Breeds Sheep Show & Sale **and on-line sales of Oxford Breeders**. Nominated ewe lambs are futurity eligible only if sold and purchased at public auction through these sales. Ewe lambs sold privately, at any other auction or outside legitimate competitive bidding situations shall NOT be eligible for the futurity (e.g. sales to Consignor’s children, stepchildren, etc.).
3. To be eligible for the futurity, ewe lambs must be nominated and designated by the consignor on an AOSA approved Futurity Consignor Nomination form (attached) **and** a \$25.00 per head nomination fee paid to the American Oxford Sheep Association. The completed form and payment must be received by AOSA **PRIOR TO** the close of check-in for each sale or the nominated animal will be disqualified from futurity competition. Under no circumstances will nominations be accepted after the designated sale’s show begins.
4. **In the situation of nominations during on-line sales, the completed Nomination Form and the nomination fee (\$25.00 per head) must be received in the AOSA Office the day before the on-line sale is to begin.**
5. Each ewe lamb nominated must conform to and abide by the rules and regulations of the individual sale to which it is consigned, including but not limited to, payment of entry and commission fees.
6. AOSA will not be held liable for any dispute and/or disagreement between the buyers and sellers.
7. All futurity ewe lambs must be permanently tagged with an official scrapie tag for futurity purposes prior to the sale of each animal. **Ewe lambs nominated through on-line sales must include a “head shot” photograph of the nominated animal, with scrapie tag clearly visible so all numbers are easily viewed, as part of the photographs of that animal on the on-line sale site.**

Exhibitor/Entrant Rules.

1. All persons desiring to participate in the futurity shall fully complete an AOSA approved Futurity Entrant form (attached) and return it to the American Oxford Sheep Association, 9305 Zollman Road, Marysville, Indiana 47141. No futurity points will accumulate until after the form is received by AOSA.
2. Rules of exhibition shall be those published and enforced by each respective show. Ownership deadlines may vary from state to state.
3. All persons who meet the requirements for eligibility to show in the Junior Show at the North American International Livestock Exposition (NAILE) shall be eligible to participate in the futurity. Rules for the NAILE (and futurity) generally, but not exclusively, are:
 - a. Person is not more than 21 years of age on the date of the show in November with no lower age limit but must be physically capable of showing his/her own sheep.
 - b. Junior member must be present to show their own sheep unless physically impaired. Because this futurity program is designed for youth, AOSA encourages youth participants to control the ewe lamb's head during all exhibitions.
 - c. Person must have current up-to-date membership in the AOSA.
4. In order to be eligible for participation in the futurity, all ewe lambs must be properly nominated and registered in the name of the individual exhibitor only. No partnership, corporation, LLC, family farm, 4-H club or FFA chapter names will be accepted. Nominated ewe lambs must remain registered in the name of the individual exhibitor at least through the conclusion of the 2019 Junior Show at the NAILE.
5. Ewe lambs and points earned in the futurity are not transferable to any other person, other than the original owner, nor are the points transferable from one animal to another.
6. No futurity entrant may compete in the futurity with more than two ewe lambs. Total points earned by two ewe lambs cannot be combined to one lamb.
7. Futurity entrants are responsible to assure the original official scrapie tag is maintained in the futurity ewe lamb(s) in such manner as is required by the federal scrapie identification program.
